

What does REAAA’s Australian Chapter do?

The Chapter:

- ◆ provides direct links for Australians to professional and commercial colleagues in all REAAA countries
- ◆ organises technical visits, seminars and information exchange in Australia and Asia
- ◆ distributes newsletters informing members of local and regional activities, major road engineering activities, appointments and items of interest
- ◆ maintains links with groups such as Institute of Transportation Engineers, Institution of Engineers Australia, Australian Road Federation.

Membership

Membership is open to persons or organisations interested in the science and practice of road engineering and related professions.

The following memberships are available through the Australian Chapter:

| | Entrance Fee | Annual Subscription |

How do I join?

Simply fill out the application form and forward with payment to:

Mr Murray Kidnie
 Secretary-Treasurer
 REAAA Australian Chapter
 C/- Austroads
 Level 9, 287 Elizabeth Street
 Sydney NSW 2000
 Phone: +61 2 9264 7088
 Fax: +61 2 9264 1657
 Email: austroads@austroads.com.au

Institutional Application Form

1. Please complete this form for institutional membership or the form on the reverse for individual membership.
2. Forward the form together with the necessary entrance and annual subscription fees to the address shown.

If you're in the roads business you should be in REAAA

Join through the Australian Chapter

By participating in REAAA activities through the Australian Chapter, you will receive:

- ◆ A regular newsletter keeping in touch with what is happening in the region
- ◆ Discounts for REAAA conference, workshops and technical visits, including REAAA's international conference (every 2-3 years)
- ◆ A network of colleagues in Australia who are interested in contributing to development in the Pacific region
- ◆ A bridge to an international network of colleagues.

What is REAAA?

REAAA is the Road Engineering Association of Asia and Australasia. The association serves to develop professional and commercial links within and between countries in the Pacific region.

REAAA has about 1000 members in 26 countries including Malaysia, Thailand, Indonesia, Hong Kong, Japan, Singapore, Taiwan, Papua New Guinea, Philippines, Australia and New Zealand.

REAAA holds a number of events including:

- ◆ A triennial international conference
- ◆ Technical visits and study tours
- ◆ Trade displays and networking
- ◆ Seminars, forums, workshops

REAAA has an active Australian Chapter ▲
